

OECONOMIA

HISTORY | METHODOLOGY | PHILOSOPHY

Together with other journals, *Œconomia – History, Methodology, Philosophy* will publish a selection of papers from the 4th Economics and Philosophy international conference (“Norms and Normativity”). The selection process will be organized under the supervision of two editors. Authors will be contacted soon after the conference in order to submit their paper. Submitted papers will go through the usual review process of the journal. More about editors and deadlines will be provided in due time.
